PRECIOUS IFEDIORA

Senior Executive Reverse Recruiter & Career Strategist

Lagos, Nigeria | +2348082563629 | precious.ifediora.career@gmail.com | www.linkedin.com/in/preciousifediora

Professional Summary

Accomplished, results-driven Reverse Recruiter and Career Strategy Specialist with 14 years of comprehensive experience managing end-to-end job placement, strategic sourcing, and corporate talent acquisition. Expert at bypassing applicant tracking system (ATS) bottlenecks by acting as a dedicated advocate for high-caliber job seekers. Proven history of uncovering hidden job market opportunities, forging strategic corporate introductions, and executing tailored outreach models to significantly accelerate placement velocity and secure highly competitive compensation packages.

Core Competencies & Expertise

- **Reverse Recruitment Operations:** Spearheading tailored corporate outbound campaigns to land direct unadvertised job interviews.
- **Hidden Job Market Mapping:** Utilizing advanced data-mining strategies to uncover high-paying, unlisted management and executive positions.
- **ATS Optimization & Parsing:** Auditing and engineering keyword-rich executive resumes to successfully navigate modern corporate screening tools.
- **Targeted Executive Networking:** Architecting specific LinkedIn and email networking plays that establish high-value rapport with hiring decision-makers.
- **Interview Preparation & Strategy:** Conducting deep behavioral and scenario-based coaching frameworks to sharply boost candidate conversion metrics.
- **Salary & Compensation Negotiation:** Reviewing and structuring equity, bonus, and base configurations to consistently maximize candidate offer value.
- **Outbound Lead Generation:** Organizing multi-channel outreach sweeps targeting global venture-capital, tech, and top fortune enterprise ecosystems.
- **Digital Profile Branding:** Rewriting professional profiles to optimize SEO visibility, increase inbound recruiting traffic, and secure social proof.
- **Boolean Sourcing & Headhunting:** Writing intricate, targeted keyword strings to extract key direct-hire leads and point-of-contact details.
- **Market Research & Trend Analysis:** Tracking dynamic global employment fields, shifting compensation bounds, and active talent gaps.
- **Pipeline & Database Management:** Organizing active lead metrics, submission progress, and interviewer schedules inside clean CRM systems.
- **Corporate Relationship Management:** Maintaining active professional trust lines with venture partners, founders, and talent leaders.
- **Executive Career Coaching:** Guiding senior leadership personnel through comprehensive, long-term personal brand pivots and market adjustments.

- **KPI Tracking & Conversion Reporting:** Monitoring client application-to-interview data points to rapidly refine tactical outbounds.

Professional Experience

General Assembly
Remote / Global | 2021 – Present

Lead Reverse Recruiter & Career Strategy Consultant

- Orchestrate premium reverse recruitment and job application initiatives for an elite global client book, consistently driving a 35% reduction in average time-to-hire metrics.
- Target decision-makers directly through hyper-customized LinkedIn outbound sequences, opening doors to high-paying, unlisted corporate executive roles.
- Conduct complete transformations of candidate application portfolios, assuring seamless compliance with complex parsing rules of modern applicant tracking systems.
- Advise mid-to-senior clients on advanced salary negotiation models, successfully yielding substantial increases in base compensation profiles.

The Final Round
Remote / United States | 2016 – 2021

Senior Career Consultant & Job Placement Specialist

- Managed high-volume client placement pipelines, leading outbound prospecting, customized cover letter generation, and application filings.
- Pioneered an internal cold email framework that boosted direct hiring manager response rates by 22% over legacy communication approaches.
- Partnered with cross-functional career coaches to synthesize shifting corporate talent strategies into optimized individual client marketing plans.

Vanguard
Malvern, PA (Remote) | 2012 – 2016

Talent Acquisition Specialist / Corporate Recruiter

- Owned full-cycle recruitment pipelines for corporate positions, deploying Boolean searches and active sourcing networks to acquire highly specialized market professionals.
- Screened thousands of candidate portfolios within enterprise ATS platforms, providing deep internal exposure to corporate parsing parameters.
- Collaborated with corporate line leaders to structure internal talent evaluation requirements, interview scorecards, and final hiring metrics.
